ACA-Pocalypse is sponsored by the Association of Chelmsford A Cappella. We are a 501c3 organization dedicated to support Chelmsford’s a-cappella community. The ACA was formed to help develop a-cappella growth through the rest of the Chelmsford School system and the community at large. Our primary goal is to assist financially and operationally to prepare for a-cappella competitions held in late winter and early spring.

The ACA is generously supported by the Chelmsford Community. For example, Workers Credit Union has been one of our biggest sponsors for the past few years. Due to their generosity, both CHS groups have been able to make professional studio recordings. Please consider donating or sponsoring the ACA. For more information, please go to our website:

Our Performing Groups:

Ball in the House

Ball in the House is an R&B/Soul/Pop a cappella group based out of Boston, MA, whose high energy shows have audiences singing, dancing, even beatboxing along.

With their extensive tour schedule (averaging 200 shows a year), Ball in the House has performed everywhere - from theaters to performing arts centers, fairs & festivals, to opening for some of the biggest acts in the world, such as The Beach Boys, The Jonas Brothers, The Temptations, Fantasia, Gladys Knight, Lionel Richie, Jessica Simpson, Blondie, Smokey Robinson, KC & The Sunshine Band, Diamond Rio, Colin Raye, Orleans, and numerous others.

They headlined the 2018 & 2016 China International Chorus Festival in Beijing, won the 2016 Boston Harmony Sweepstakes, and were voted the 2016 APCA Band of the Year and 2009 Best of Boston for Outstanding Musical Performers. For six years, they were the voices behind all the Cool Whip commercials and recently wrote and performed the jingle for Amazon's Prime Day. Ball in the House has appeared on America's Got Talent, The TODAY Show, The Daily Buzz, the Philadelphia 4th of July Parade, and SBS Culture Club and MBC News in Seoul, South Korea. We are fortunate to have the members of Ball in the House run ACA-Pocalypse workshops and master classes this Saturday, 5/14/22. Ball in the House members are Kevin Cincotta-Guest, Wallace Thomas, Monty Hill, Dave Guisti and Jon Ryan.

The Crescendos

The Crescendos are psyched to be hosting our first in-person Aca-Pocalypse in almost 3 years! It has certainly been a long year for the Crescendos and the a cappella community! They competed in the NE Voices Festival and advanced alongside The Thursdays to the Northeast semifinal, which was all around an amazing and rewarding experience. They'd like to give a massive shoutout to North Reading's NOTEorious for placing 3rd in the entire national competition! For the Crescendos, it has been a year full of trying new things, developing a strong group sound and atmosphere, making tiktoks, and unsuccessfully running laps around the school before singing. They are grateful for all the student arrangers that made tonight's music possible, for their fearless director Ms. Roeder, and of course to the Association of Chelmsford A Cappella. The underclassmen want to thank the 10 crescendo-seniors for their work this year and they wish them the best in their future endeavors... aca and otherwise. They hope you enjoy their set and remember to #GETLOUD

This year, students in Select Chorus have sung and performed with the orchestra, sang in a handful of lobby performances, performed the Star Spangled Banner at games, and participated in both Winter and Spring concerts.
